1. **I am willing to be guided through relaxation, visual imagery, hypnosis, and/or stress reduction techniques.** I am aware that these modalities are spiritual-based and non-medical in nature and it is my responsibility to consult my regular doctor about any changes in my condition or changes in my medication.
2. **I understand the above modalities are not substitutes for regular medical care** and I have been advised to consult my regular medical doctor or health-care practitioner for treatment of any old, new or existing medical conditions.
3. **I understand that being hypnotized is not being asleep.** During a deep hypnotic trance, you can open your eyes, speak, laugh, walk and you may be aware of everything that happens around you. You can even open your eyes and think it is not working and are not hypnotized. But when you allow those feelings or thoughts that come to your mind to flow freely as Judith Verberne speaks to you, you will relax and remember forgotten events in this life or a past life.
4. **I understand that change is my own and complete responsibility.** I understand **all healing is self-healing** and that Judith Verberne is only a facilitator in the process of helping me to solve my own problem(s). It is my responsibility to be open and honest, provide accurate feedback and be forthcoming with details and information that may help me achieve my outcomes.
5. **I understand and accept that our session will be digitally recorded for my later use** and that Judith Verberne retains the copyright of these recordings. I also understand that in these types of metaphysical sessions, the energy in the room can affect the equipment and recording resulting in static, blank or altered recordings.
6. I understand that often in Hypnosis sessions, universal information is provided through the client to benefit all of humanity. **I agree to allow Judith Verberne to share this information** and any accompanying story either on video or in written form in blogs or books as long as my first and/or last name and all personal and relevant details are omitted and/or changed. (On videos, you will agree on what to omit.)
